

Maximize your productivity

Help your employees achieve their best potential
with the right tools for the job.

Dell's portfolio of accessories is designed to perfectly complement Dell systems. From displays and docks to power banks and headsets, Dell has what it takes to help customers work more productively in the office or on-the-go.

Corridor Warrior

Mobility at a moment's notice.

Corridor Warriors need flexible technology as they run from one meeting to the next.

1 Latitude 5290 2-in-1 Travel Keyboard

The Dell Travel Keyboard completes your 2-in-1 with a natural typing experience wherever work takes you.

2 Dell Active Pen | PN557W

Designed for busy professionals, the Dell Active Pen allows you to easily take notes and stay organized.

3 Dell Business Dock | WD15

Be more productive with a dock that lets you use up to 2 monitors and powers your notebook. Get power, data and video connections with just one USB-C Cable.

4 Dell UltraSharp 24 InfinityEdge Monitor | U2417H (Dual Monitor)

Get up to 18% more done with dual monitors, and see more with virtually borderless InfinityEdge. With 23.8 inch Full HD displays, you'll see vividly clear visuals across an ultrawide viewing angle.

5 Dell Dual Monitor Stand | MDS19

Featuring a small footprint, this stand frees up valuable desk space for writing and referencing. Its unique curved bar design elegantly holds two monitors, while keeping cables from view.

6 Dell Premier Wireless Keyboard and Mouse | KM717

Enhance productivity and enjoy its elegant design that will fit into virtually any workspace. For increased productivity you can simultaneously pair up to two compatible devices with Bluetooth LE.

7 Dell Professional Sleeve 13

The Dell Professional Sleeve 13 allows you to protect and take your laptop and its accessories wherever your busy day takes you.

8 Dell USB-C Mobile Adapter | DA300

Connect your Latitude to almost any device with a convenient 6 -in-1 compact adapter, to collaborate from any location.

9 Dell Notebook Power Bank Plus USB-C, 65Wh | PW7018LC

World's first USB-C notebook power bank to charge the widest range of USB-C laptops, as well as mobile devices, at desk or on the go. Plug your smart phone into the secondary USB-A port to charge it alongside your USB-C laptop.

10 Dell Portable Power Companion (18000mAh) | PW7015L

Even when you're not near an outlet, you'll have enough power for your laptop or cell phone with the Dell Power Companion.

Dell UltraSharp 27 Monitor | U2717D (Not in Picture)

With 27-inch Quad HD displays you'll see extremely sharp images across an expansive ultrawide viewing angle.

Dell Privacy Filters (Not in Picture)

Dell Privacy Filter for your laptop keeps your onscreen data private, offering effective "black out" privacy from side views outside the 60-degree viewing angle.

* Shown with Latitude 5290 2-in-1

On-the-Go Pro

Office everywhere.

For On-the-Go Pros, connectivity and convenience are crucial both on the road and in the air.

1 Dell Premier Backpack (M)

Designed as a mobile office this backpack provides a streamlined way for on-the-go professionals to protect their notebook and accessories.

2 Dell USB-C Mobile Adapter | DA300

Connect your Latitude to almost any device with a convenient 6 -in-1 compact adapter, to collaborate from any location.

3 Dell Premier Wireless Mouse | WM527

Enhance daily performance and productivity with the Dell Premier Wireless Mouse, which features dual connectivity and an elegant design.

4 Dell Active Pen | PN557W

Designed for busy professionals, the Dell Active Pen allows you to easily take notes and stay organized.

5 Dell Premier Slim Briefcase

Keep your laptop, tablet and other office essentials protected within the stylish Dell Premier Slim Briefcase 14.

6 Dell Portable Power Companion (18000mAh) | PW7015L

Even when you're not near an outlet, you'll have enough power for your laptop and cell phone with the Dell Power Companion.

7 Dell Hybrid Adapter + Power Bank | PH45W17-CA

World's first modular power adapter for uninterrupted power to your laptop and USB mobile device at desk or on the go. The 2-in-1 design allows you to carry one or both the adapter and power bank.

8 Dell Pro Stereo Headset | UC350

Hear every word clearly on your next call with the Dell Pro Stereo Headset, optimized to provide in-person call quality and certified for Microsoft Skype for Business.

Dell Privacy Filters (Not in Picture)

Dell Privacy Filter for your laptop keeps your onscreen data private, offering effective "black out" privacy from side views outside the 60-degree viewing angle.

Remote Worker

Off-site shouldn't mean off your game.

In order to work confidently, Remote Workers rely on flawless connectivity and seamless collaboration.

* Shown with Latitude 7212 Rugged Extreme Tablet

Creative Worker

Great minds require great machines.

Creative Professionals depend on visually-enhanced technology to create precise and masterful work.

1 Dell Business Thunderbolt Dock | TB16

The Dell Business Thunderbolt Dock allows you to connect your mobile workstation to a single data and power source for ultimate display performance and speedy data transfers.

2 Dell UltraSharp 34 Curved Monitor | U3417W

The increased screen curvature of this monitor improves your field of view by reducing reflection and creates near uniform visual focus thus allowing you to take your work projects to the next level.

3 Dell USB-C Mobile Adapter | DA300

Connect your Precision to almost any device with a convenient 6-in-1 compact adapter, to collaborate from any location.

4 Dell Canvas

Bring your ideas to life with the groundbreaking new workspace tool that uses an intuitive touch screen, pen and totems to enable natural digital creation.

5 X-Rite Colorimeter i1Display Pro

The i1Display Pro ensures a perfectly calibrated and profiled display while delivering the speed, options and flexibility needed to maintain color accuracy.

6 Dell Premier Wireless Keyboard and Mouse | KM717

Enhance productivity and enjoy its elegant design that will fit into virtually any workspace. For increased productivity you can simultaneously pair up to two compatible devices with Bluetooth LE.

7 Dell Portable Thunderbolt 3 SSD, 1TB

One of the world's fastest portable SSD storage devices, the Dell Portable Thunderbolt™ 3 SSD 1TB lets you backup or transfer all your large files at lightning fast speeds.

8 Dell Timbuk2 Authority Backpack

Designed specifically for Dell, the Timbuk2-Authority backpack is built to carry and protect everything you need for the workday.

* Shown with Precision 5530 Workstation

Engineer

Engineered for the high-speed pursuit of perfection.

Engineers require powerful technology to run graphics-intensive applications effortlessly and effectively.

1 Dell Precision Dual USB-C Thunderbolt Dock | TB18DC

Incredibly powerful Thunderbolt Dock delivering up to 210W. Leave your power brick at home and plug in one cable for both data and power for your Precision 7530 and 7730 workstations.

2 Dell UltraSharp 27 4K Monitor | U2718Q

The world's first 27" 4K monitor with InfinityEdge that supports HDR content playback. See stunning colors and details on a virtually borderless display.

3 3Dconnexion SpaceMouse Pro Wireless

3Dconnexion's patented 6-Degrees-of-Freedom (6DoF) sensor is specifically designed to manipulate digital content or camera positions in the industry-leading CAD applications. Simply push, pull, twist or tilt the 3Dconnexion controller cap to intuitively pan,

zoom and rotate your 3D drawing.

4 Dell Premier Wireless Keyboard and Mouse | KM717

Enhance productivity and enjoy its elegant design that will fit into virtually any workspace. For increased productivity you can simultaneously pair up to two compatible devices with Bluetooth LE.

5 Dell Portable Thunderbolt 3 SSD, 1TB

One of the world's fastest portable SSD storage devices, the Dell Portable Thunderbolt™ 3 SSD 1TB lets you backup or transfer all your large files at lightning fast speeds.

6 Jabra Evolve 75

With the active noise cancellation feature of this wireless headset you can hear every word clearly on your next call. This easy to carry device is certified for Microsoft Skype for Business.

7 Dell Timbuk2 Authority Backpack

Designed specifically for Dell, the Timbuk2-Authority backpack is built to carry and protect everything you need for the workday. The internal organizer provides ample space for laptop accessories and any extra items you need to carry.

8 X-Rite Colorimeter iDisplay Pro

The iDisplay Pro ensures a perfectly calibrated and profiled display while delivering the speed, options and flexibility needed to maintain color accuracy.

Dell 27 UltraSharp Monitor with PremierColor | UP2716D (Not in Picture)

Expect vivid, accurate color precision, ultrathin bezels and ideal color coverage to suit your professional needs with the Dell UltraSharp 27 Monitor. You'll appreciate a high level of detail with a colour depth of 1.07 billion colours, that's approximately 64 times more colours than standard monitors.

* Shown with Precision 7530 Laptop

Empower your employees with Dell Workforce Solutions

Our products are thoughtfully designed with the style, innovation, functionality, and unique features that maximize worker productivity.

When people are enabled by technology that works, they can be more immersed in their work, face fewer distractions and interruptions, and increase their productivity. When employees are more productive, so too are companies.

Dell's products are better together and tested extensively for reliability. Our products are designed and certified to work seamlessly together with Dell systems.

Dell's products are thoughtfully designed with the style, innovation, functionality, and unique features that maximize worker productivity.

Dell's recommended accessories are chosen with each customer's needs in mind, and to save them time and money by eliminating the need to hunt through hundreds of products
